Maths

We are following the White Rose Mastery structure. This term we will be exploring maths projects and consolidating taught skills from KS2:

- **Number:** Fractions, Decimals and Percentages
- **Measurement:** Area, Perimeter and Volume
- **Statistics**

RE

What do religions say to us when life gets hard?

We will be focusing on Islam, Christianity, Hinduism and Humanism and what they believe happens when a loved one dies.

What's coming up this term?

Booster Groups – Booster groups begin on in February at 8:15am and will run as follows:

- **Tues** – SPAG
- **Wed** – Reading
- **Thur** – Maths

All welcome, breakfast is provided.

Secondary School Places – Places will be shared with you in the way you applied on Thursday 1st March substantial

Geography

This half-term we will be learning about economics and trade, focussing on similarities, differences and links between the UK and the countries of North America.

PSHE

We follow the Jigsaw PSHE scheme. This half term our Jigsaw piece is **Healthy Me** and we will look at how we can be proactive about maintaining a healthy lifestyle as well as the risks and dangers around drugs, alcohol and smoking.

Science

This half term we will continue studying our **Animals including humans** unit. We will focus on the digestive system of humans and other animals and consider the healthy and unhealthy behaviours that can impact lifestyle.

PE

In PE, we will be developing our **Dance** and **Tennis** skills. PE is on Monday and Wednesday

Music

We follow the Charanga scheme and our unit is **Exploring notation further.**

Computing

We use **Purple Mash** to deliver our Computing lessons. This half term we will be learning about Networks. We will be using Google Sheets as part of our learning.

DT

This half term is textiles and making phone pouches using recycled materials

MFL - French

Our French Unit this term is **This is France** where we will learn to talk about features of a town or city.
